flashlights and watertight
protector cases

Large Cases

#1690 TRANSPORT CASE

Unbreakable, watertight, dustproof, chemical resistant and corrosion proof. Boasting more than 195 litres of possible storage space, the 1690 is perfect for safely transporting just about anything. Ergonomic features include two extra-wide, side-grips for double hand lifting, as well as two heavy-duty sets of ball-bearing, polyurethane wheels and an extension handle for easy transport.

Like all Peli Protector Cases, the 1690's cell-core construction protects sensitive equipment against extreme conditions, rough handling, dust and water.

This case is a perfect solution for transporting sensitive equipment and for companies handling warranty return of large electronics.

Unconditionally Guaranteed ... forever.
