

SALSA

Easy Living

Documents, photos, catalogues – not everything can be punched, but everything must be filed.

Mailing, image folders, give-a-ways – just put them into the SALSA box and off they **go by mail** . . .

Finally a solution to file a big variety of documents, without getting dusty and turning yellow. Very handy to carry, should the documents be needed somewhere else.

You don't only file documents till size DIN A4 – you can store sensible small things of any kind.

Order and security for your archive.

Nicely packed in a SALSA, immediately mailed will reach securely and the addressee will be pleased.

Finally no more damaged catalogues. That way, you can be sure, that what you send will reach safely. If you want, even visible from the outside.

Some SALSA sizes are suitable to be put into the mailbox; please ask your local post office for details.

Choosing that way, your offer, your mailing or your brochure will arrive in a good condition.

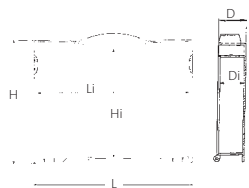

Funktion Design

With 9 sizes surely we have something that will accommodate your needs; starting from DIN A6 up to DIN A4 size.

Presentations: safely transported and well secured. We offer assistance with your individual demands, like special colours or foam inlays.

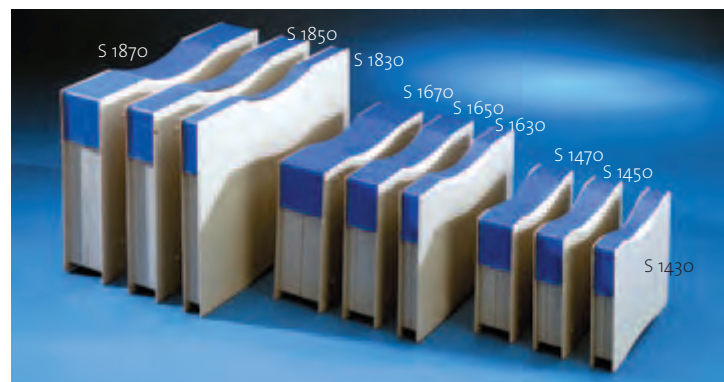

A minimal-design and a well-reasoned functionality with integral spring handle and a special locking feature. With SALSA the contents is significant . . . visible or invisible.
