

## Personalized Service

Let us develop customized solutions to make the perfect presentations for your company. Precision moulded foam and plastic internals to protect fragile products or for shipping samples are all part of the service. We can also silkscreen your company logo or slogan on the SWING protect case. Along with the extensive range of standard colours we can also customize your SWING protect case in your own colours.

Talk to us, we will be happy to make your wishes and ideas a reality.

Other products from W.AG Funktion + Design:
